

# Liverpool

Gotthard

I just wonder, where did it go?  
And where are the years?  
I just wonder, where do we go  
Where do we go from here?

I wanna turn it around  
Get back what I'm missing  
Remember the town?  
The first time we're kissing  
The good old days  
Don't wanna let em go!

Take me! Take me back!  
I wanna hit the road  
Hit the road with Jack  
And never come back

I just wonder, how could it be?  
It's hard to believe  
I just wonder, what did you see  
What did you see in me?

We turned it around  
We trusted the frisson  
They said I'm a clown  
But you didn't listen  
The good old days  
Let's bring em back to life

Take me! Take me back!  
Let's hit the road  
Hit the road with Jack  
Take me! Take me back!  
Let's fall in love in that roof down Cadillac  
And never come back

Take me! Take me back!  
Let's hit the road  
Hit it the road with Jack  
Take me! Take me back!  
Let's fall in love in that roof down Cadillac  
And never come back

To the day we fell in love like fools  
Down the streets of Liverpool
