

# Mad Love

Gotthard

I can't remember how it used to be  
I've spent too many nights alone  
I'm confused, since you walked right through that door  
And I'm still wondering why I can't get no more

Made love, that's what I need  
It's like a walk on the wire  
Mad love, see how I bleed  
You're still my secret desire, I want you

I got the feeling, I'm still a part of your mind  
Yeah, what you see is what you get  
So don't be shy, let the good times roll  
Who knows tomorrow might be late for us all

Mad love, that's what I need  
It's like a walk on the wire  
Mad love, see how I bleed  
I want you by my side

I'm a man, I'm flesh and blood  
Sure that ain't no crime  
Wanna love and treat you right  
We'll have a real good time

Mad love, that's what I need  
It's like a walk on the wire  
Mad love, see how I bleed  
You're still my secret desire

Mad love, that's what I need  
It's like a walk on the wire  
Mad love, see how I bleed  
I want you right by my side
