

## Miss Me

Gotthard

Wait for sleep to come  
But the night, it brings me none  
In my head nothing new  
Only you, still only you  
Hear the wind outside  
Could a gentle breeze dry my eyes?  
Could you know how I feel?  
I wish the tables were turned, I wish you would burn, burn for  
me  
I want you to miss me, I want you to beg  
And even write 25 letters you'll never send  
I want you to lose your mind thinking about me  
I want you know how it feels just to be me  
I want you to miss me  
How no words from you  
Make my heart feel pain it never knew  
"Just a friend" My friend  
I wish the tables were turned, I wish you would burn, burn for  
me  
I want you to miss me, I want you to beg  
And even write 25 letters you'll never send  
I want you to lose your mind thinking about me  
I want you know how it feels just to be me  
I want you to miss me, I want you to miss me, I want you to wan  
t me  
It's a feeling that will never mend  
It's the lightning that will never end  
Am I dreaming? Will it ever be?  
With this foolish fool inside of me  
I want you to miss me, I want you to beg  
And even write 25 letters you'll never send  
I want you to lose your mind thinking about me  
I want you know how it feels just to be me  
I want you to miss me...  
I wanna read the 25 letters you never sent  
I want you to lie in bed thinking about me  
I want you know how it feels just to be me  
I want you to miss me, I want you to miss me, I want you to mis  
s me
