

## Right On

Gotthard

Give it all you wanna,  
Give it all you got, ride it on  
Never mind about your mama,  
Take it to the top, ride it on

Guess it's time,  
Not a lead on a line, oh yea, oh yea  
Building up the pressure,  
Building undermined, ride it on  
You got it

Right on, right on  
Forget your address and the life you're on  
Right on, right on  
Give me the best,  
I confess i wanna hear you say  
Yea, yea, yea

Going on a feeling,  
Going on a whim, ride it on  
Yea from one to ten and rising,  
Burning up the pin, ride it on

Yes it's time,  
Not a stop on a sign, oh yea, oh yea  
Turning on the motor,  
Turn it on to win, ride it on  
You got it

Right on, right on  
Forget your address and the life you're on  
Right on, right on  
Give me the best,  
I confess i wanna hear you say  
Yea, yea, Yea

Right on

You got it  
Right on, Right on  
Forget your address and the life you're on  
Right on, right on  
Give me the best,  
I confess I wanna hear you say  
Right on, right on  
Forget your address and the life you're on  
Right on, right on  
Give me the best,  
I confess I wanna hear you say  
Yea, yea, yea  
Yea, yea, yea  
Yea, yea, yea
