

Round and Round

Gotthard

Take it or leave it
That's the way the story goes
We've been through hell and back
So many times before

Desperately needed
Here it comes, can't do without
And what you realize
Makes you wanna scream and shout
Makes you wanna scream out loud

And so, round, n' round, n' round, we go
Different city different show
Once again we touch the sky
Let it roll, and....
Round, n' round, n' round, we go
Ain't no limit givin' all
It's a blessing to our souls
And here we go again

More than a feeling
It's a moment where we know
We'd do it all again
This road is all we own

Sometimes deceiving
When you wake up, down and out
Lonely from the night
Still you know what it's about
You just gotta let it out

And so, round, n' round, n' round, we go
Different city different show
Once again we touch the sky
Let it roll, and....
Round, n' round, n' round, we go
Ain't no limit givin' all
It's a blessing to our souls
And here we go again

It's here and now, this can't be wrong
Come for a ride, before it's gone
Cuz here we go once again, once again, yeah yeah....

And so, round, n' round, n' round, we go
Different city different show
Once again we touch the sky
Let it roll, and....
Round, n' round, n' round, we go
Ain't no limit givin' all
It's a blessing to our souls
And here we go again
And here we go again
And here we go again
