Ruby Tuesday

Gotthard

She would never say where she came from Yesterday don't matter if it's gone While the sun is bright Or in the darkest night, no one knows She comes and go

Goodbye ruby Tuesday
Who could hang a name on you
When you change with every new day
Still i'm gonna miss you

Don't question why she needs to be so free
Oh, she'll tell you it's the only way to be yeah
She just can't be chained
To a life where nothing's gained
And nothing's lost, at such a cost

2x
Goodbye ruby Tuesday
Who could hang a name on you
When you change with every new day
Still i'm gonna miss you

Goodbye, goodbye

There's no time to loose, i heard her say Catch your dreams before they slip away, away

Goodbye ruby Tuesday
Who could hang a name on you
When you change with every new day
Still i'm gonna miss you
I love you
