

Ain't No Love In The Heart Of The City

Gov't Mule

Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, sure is a pity
But ain't no love since you're not around

When you were mine
I was feeling so good
Oh, your smile lit up
The whole neighborhood

But now that you're gone
Oh, the sun don't shine
From the city hall
To the county line and that's why there

Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, sure is a pity
But ain't no love since you're not around

Every place that I go
Oh, it feels so strange
Without you here
Everything has changed
Nighttime comes
And there's a blanket of gloom
Another teardrop falls
In my lonely room and that's why there

Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, sure is a pity
But ain't no love since you're not around

But now that you're gone
Oh, the sun don't shine
From the city hall
To the county line and that's why there
Ain't no love in the heart of the city
Ain't no love in the heart of town
Ain't no love, oh, sure is a pity
