Beautifully Broken

Mysterious Blown in with the night All this beauty captured in a frame Visibly shaken but never stirred Drives them insane I see the way she plays her men, and I know I've got to know he r name

She's so beautifully broken Shaped by the wind Dangerously twisted Here I go again

I see the way she casts her spell It's like drowning in moonlight Discards them when she's done They're lost in her twilight I watch her move from star to star and I wonder why Why it feels so right

She's so beautifully broken You can barely see the flaw Especially from a distance Which is always how I fall

Why do I fall for the dangerous ones The ones that never learned to let go And why do I lie to myself and pretend that I can break her When she's already been so beautifully broken

Why do I fall for the dangerous ones The ones that don't know how to let go And why do I lie to myself and pretend that I can break her When she's already been so beautifully broken

She's so beautifully broken, shaped by the wind Dangerously twisted Here I go again Here I go again
