

I'm A Ram

Gov't Mule

Drive on
Until I get there
Gotta drive on
Until I get there

I'm a ram, yes I am
I know just what to do
Keep on pushin' baby,
Until I get next to you

I'm a ram
Bet your life I am
I'm a ram
Woman, get next to you

Drive on
Until I get there
I gotta drive on
Until I get there

I'm a ram, yes I am
And you all what am
I keep on pushin' you, baby
You keep on pushin' me back

I'm a ram
Bet your life I am
I'm a ram
Woman, get close to you

I've got to drive on
Until I get there

The ram caught in a bush
Needs to be free
Somebody, I said come on and see about me

I'm a ram
Bet your life I am
I'm a ram
Woman, get next to you
