

Stone Cold Rage

Gov't Mule

Stone cold rage in the alleyway
Somethin' like I ain't never seen
I been out to California
And St. Augustine
Something's happenin' in the back woods
It's spreadin' out like water
Stone cold rage in the hinter land
Mama's gonna be a martyr

I ain't sayin' that I don't understand
I ain't sayin' we don't all need to be free
I ain't sayin' that I got some better plan
But I ain't askin' no one to follow me

Stone cold rage in the alleyway
Somethin' like I ain't never seen
I been out to California
And St. Augustine
Something's happenin' in the back woods
It's spreadin' out like water
Stone cold rage in the hinter land
Mama's gonna be a martyr

People talkin' 'bout revolution
People talkin' 'bout takin' it to the streets
Some folks say there's no solution
Some folks ain't waitin' 'round to see

I ain't sayin' that I don't understand
I ain't sayin' we don't all need to be free
I ain't sayin' that I got some better plan
But I ain't askin' no one to follow me

Stone cold rage in the alleyway
Somethin' like I ain't never seen
I been out to California
And St. Augustine
Something's happenin' in the back woods
It's spreadin' out like water
Stone cold rage in the hinter land
Mama's gonna be a martyr

Stone cold rage, hey
Mama's gonna be a martyr
