Water run down my eyes  
When I think the many many things wey man do pass through  
My guy it's true  
One papa, one mama, ten pikin  
All living in a room  
It is true  
Them be nor believe in the boy  
Them be done give up on the boy  
Them be nor turn up for the boy  
Them be nor pull up for the boy
