

Love Is Getting Wasted

GRAACE

You told me things that you think I'd like
Painted lies so I'd let you inside
But you knew what you were doing

You told my friends you're a real nice guy
We laughed at your jokes and we kissed all night
But you knew, knew what you were doing

Did you ever want all of me?
Or did you always plan to leave?

And I broke my legs so you'd catch my fall
I crashed my car to see if you'd call
I'm scared, no I'm scared you faked it
You lied just to see me naked
Now I hate love cause I went too hard
I don't know how you didn't fall
I'm tired, yeah I'm tired of chasing
My love is just getting wasted
On you
My love is just getting wasted
On you
My love is just getting wasted

I don't know how long I kept this up
3 weeks in, already enough
Oh, you knew what you were doing
I watched you turn cold but I called it love
Now is it me, or was I too young for you
Who was I fooling?

Did you ever want all of me?
Or did you always plan to leave?

And I broke my legs so you'd catch my fall
I crashed my car to see if you'd call
I'm scared, no I'm scared you faked it
You lied just to see me naked
Now I hate love cause I went too hard
I don't know how you didn't fall
I'm tired, yeah I'm tired of chasing
My love is just getting wasted
On you
My love is just getting wasted
On you
My love is just getting wasted
My love is just getting wasted
On you
