GRAACE

Toxic (love)

Toxic (love)

I forgot about you

Then I saw your face

Now you've got the feelings flowing back

Like a wave

Baby your love is like a drug

And I'm wondering if I can get enough

Baby your love is toxic

But you know you've got me wrapped up in your pocket

Toxic (love)

Toxic (love)

Baby you know you have control

With every touch and every hold

So why do you have to own my mind

When I already think about you all of the time

Baby your love is toxic

But you know you've got me wrapped up in your pocket

Toxic (love)

Toxic (love)

Toxic (love)

Toxic (love)

Toxic (love)

Toxic (love)
