

Bruises

Grabbitz

Please
It's been way too long without you
It's been way too many weeks
Every time I think about you
I get bruises on my knees

Always killing me slowly
Yeah, it's slowly killing me
I just hope my legs can hold me
With these bruises on my knees

One more week and 7 days
But I don't believe a word they say
Is it one more week and 7 days?
Will it take my pain away?
One more week and 7 days
But I don't believe a word they say
Is it one more week and 7 days?
Will it take my pain away?

Please
It's been way too long without you
It's been way too many weeks
Every time I think about you
I get bruises on my knees

Always killing me slowly
Yeah, it's slowly killing me
I just hope my legs can hold me
With these bruises on my knees

One more week and 7 days
But I don't believe a word they say
Is it one more week and 7 days?
Will it take my pain away?
One more week and 7 days?
But I don't believe a word they say
Is it one more week and 7 days?
Will it take my pain away?
