

Don't Let Me Go

Grabbitz

You've always set the line
So I cross it every time
A steady roll
Don't let me go
It's like we've been combined
In a world of passion crimes
That we both know
Don't let me go
And it's all about the way you taste
When the sweat drips down your face
And I know you're cold
Don't let me go
And when all has come and set its place
And you have to turn your back
To make your own
Don't let me go, don't let me go

(Don't let me)
(Don't let me)
(Don't let me)
(Don't let me)
Oh (Don't let me)

You always set the line
So I leave it there, behind
A steady role
Don't let me go
It's like we've been combined
In a world of "nevermind"
But we both know
Don't let me go
And it's all about the way you feel
When you first take off your heels
And then your clothes
Don't let me go
And when all has come and made its deal
And then everything gets real
And I'm still froze
Don't let me go, don't let me go

(Don't let me)
(Don't let me)
(Don't let me)
(Don't let me)

And it's all about the way you taste
When the sweat drips down your face
And I know you're cold
Don't let me go
And when all has come and set its place
And you have to turn your back
To make your own
Don't let me go, don't let me go

(Don't let me)
(Don't let me)
(Don't let me)

(Don't let me)

(Don't let me) And it's all about the way you feel
When you first take off your heels
And then your clothes
Don't let me go
And when all has come and made its deal
And then everything gets real
And I'm still froze
Don't let me go
