

# Everlong

Grabbitz

Hello, I've waited here for you  
Everlong  
Tonight, I've thrown myself into  
And out of the red, out of her head, she sang

Come down, and waste away with me  
Down with me  
Slow, how you wanted it to be  
I'm over my head, out of her head, she sang

And I wonder  
When I sing along with you

If everything could ever feel this real forever  
If anything could ever be this good again  
The only thing I'll ever ask of you, you've got to promise not  
to stop when I say when  
She sang

Breathe out, so I can breathe you in  
Hold you in  
And now I know you've always been  
Out of your head, out of my head, I sang

And I wonder  
When I sing along with you

If everything could ever feel this real forever  
If anything could ever be this good again  
The only thing I'll ever ask of you, you've got to promise not  
to stop when I say when  
She sang

Ooh, oh  
Oh

If everything could ever feel this real forever  
If anything could ever be this good again  
The only thing I'll ever ask of you, you've got to promise not  
to stop when I say when  
She sang

And I wonder
