She got a kiss like a snake bite
Let it sink into your bloodstream
Like a drug sent down from above me
'Cause first, you get the rush and it's lovely
Then it winds up killing you like it's nothing
I would go into the afterlife
And let you cast a spell bringing me back tonight
Then we fall back in love and when we get to bed
I let you put your fuckin' teeth in my neck again

Hey! Wait! I got a new complaint
Forever in debt to your priceless advice
Hey! Wait! I've got a new complaint
Forever in debt to your priceless advice

She eyes me like a pisces
Funny, I thought, she didn't even like me (Nope)
A beautiful song that I can't sight-read
I said that she can roll with me but don't be actin' dicey
Snake eyes can be fun 'til they wind back and it bites me
Known fact: It's likely – guess it's just par for the course
'Cause the softer I hit the ball's the farther it soars
I'm starvin' for more, guess I'm never learnin' my lesson
They teach you love in a book, how 'bout a Smith and a Wesson; it's c
ocked back
