Sky Turns Red

Grabbitz

```
I've seen the sky turn red
The world must have bled
Fields of ashes in my head
I'd burn it all again

I'd burn it all again

I've seen the sky turn red
The world must have bled
Fields of ashes in my head
I'd burn it all again

I'd burn it all again

(I've seen the sky turn red
The world must have bled
Fields of ashes in my head
I'd burn it all again)

I'd burn it all again
