

Sleeping On A Fire Pit

Grabbitz

Na, na-na-na
Na-na-na-na-na-na-na
Yeah

Turns out you're sleeping on a fire pit, fire pit
I tried my best to tell you that you should believe in it
And now it's burning up the whole town
And I'm not out of my fucking mind
No more
No more

Come tell me please
Give me everything I need
I've been down on my knees
Give me everything I need
Won't you come tell me please?
Give me everything I need
I've been down on my knees
Give me everything I need
Tell me please

Turns out you're sleeping on a fire pit, fire pit
I tried my best to tell you that you should believe in it
And now it's burning up the whole town
And I'm not out of my fucking mind
No more
No more
No more
No more (Wow)

Come tell me please
Give me everything I need
I've been down on my knees
Give me everything I need
Tell me please

No more
Tell me please
No more
Yeah
