

Slow Dance

Grabbitz

Is it enough for me to be?
Am I enough for you out there?
Supposed to be somebody's Jesus
But no single person cares, no

I wanna slow dance
I wanna slow dance with you
I wanna slow dance
But I don't wanna move

I was lost in
The ocean
And wavin'
Commmotion
It's nothing
Just stay at home
(The only home I'll ever know)

I was someone
Waiting
Contemplating
Nothing
Coming home
I'm coming home

(What about right up the middle, y'all feeling good?)
(All the way at the back, how the fuck y'all feel-)

I wanna slow dance
I wanna slow dance with you
I wanna slow dance
But I don't wanna move (I'm coming home)

I was lost in
The ocean
And wavin'
Commmotion (I'm coming home)
It's nothing
Just stay at home (I'm coming home)

I was someone
Waiting
Contemplating (I'm coming home)
Nothing
Coming home (I'm coming home)

I wanna slow dance

But I don't wanna move
