

The Ugly

Grabbitz

I've got a whack reputation if you know who to ask
And if you know who to ask, say hello to my ass
I have never been a match but I am loaded in gas
Finger tat on my knuckle overthrowing the masses

Now it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own

Now it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own,
uh oh
Get to holding your own, uh oh
Yeah it's either gold or go home

This is global detonation, yes I'm waiting to blow
Destinations I go will all be painted in gold
'Cause it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own

Now it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own

Now it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own

Now it's gold or go home
Now it's gold or go home
Now it's get the fuck up everybody and get to holding your own,
uh oh
Get to holding your own, uh oh
It's either gold or go home
