

Too Far Gone

Grabbitz

This is a California landslide
Everybody save yourselves
(Don't think 'bout no one else)
You only see it from your blind eye
And that's bad for your health
But I wish you well
I wish you well

"GO!"

I've been told
But I don't know if I could ever go back to my home
Overthrown
Both wings broke and now I can never go back
Too far gone

Better believe in good old Snake Eyes
'Cause I've never steered you wrong
And if so, then not for long
Washed away into the dark side
Where the lights are way too strong
And I wish you well
And I wish I cared
But I dig deep down and find that nothing's even there

"Now, GO!"

I've been told
But I don't know if I could ever go back to my home
Overthrown
Both wings broke and now I can never go back
Too far gone

Too far gone
Too far gone
Too far gone
Too far gone
Too far gone
