

Turn Around

Grabbitz

I go to sleep
Open my eyes
I'm looking down
Whenever you're calling
Baby, you know I'll turn around
I see your face
Not one sound
Whatever is calling
Baby, you know I'll turn around
Baby, you know I'll turn...
Baby, you know I'll turn around

(Push the sound like)
Baby, you know I'll turn around
(Push the tempo)
(Push the)
(Push the)

I go to sleep
Open my eyes
Not one sound
Whatever is calling
Baby, you know I'll turn around
Baby, you know I'll turn around
Whenever you're calling
Baby, you know I'll turn around
Whatever is calling
Baby, you know I'll turn around
Baby, you know I'll turn...
Baby, you know I'll turn around

Baby, you know I'll turn...
Baby, you know I'll turn around
(Push the sound like)
Baby, you know I'll turn...
(Push the tempo)
(Push the)
(Push the)

I go to sleep
Open my eyes
Not one sound
Whatever is calling
Baby, you know I'll turn around
Baby, you know I'll turn around
