

Amnesia

Grace Carter

How did you get amnesia,
When you promised the most?
How could you go so far from me,
When I needed you close?
It's not right, it's not okay
But I want you to know
I made it out alive
So I think I can cope

Oh, this premature heartbreak
Won't let me let go of you
Can't let go of you

Oh, I
I forgive you for all that you've done
I forgive you for losing my love
And for making me feel like I'm not enough
Oh, I
I forgive you for all that you've said
I forgive you for leaving me dead
And for making me feel like we didn't know it

Come on, now, tell me, do you love me?
Come on, now, tell me who you love
Come on, now, tell me, do you love me?
Tell me, do you love me? Tell me who you love

It's like you got amnesia
You forget what you say
How the hell could you look at me
Like you don't know my face?

Oh, this premature heartbreak
Won't let me let go of you
Can't let go of you

Oh, I
I forgive you for all that you've done
I forgive you for losing my love
And for making me feel like I'm not enough
Oh, I
I forgive you for all that you've said
I forgive you for leaving me dead
And for making me feel like we didn't know it

Come on, now, tell me, do you love me?
Come on, now, tell me who you love
Come on, now, tell me, do you love me?
Tell me, do you love me? Tell me who you love
Come on, now, tell me, do you love me?
Come on, now, tell me who you love
Come on, now, tell me, do you love me?
Tell me, do you love me? Tell me who you love

Oh, this premature heartbreak
Won't let me let go of you
Can't let go of you

Oh, this premature heartbreak
Won't let me let go of you
Can't let go of you

Oh, I
I forgive you for all that you've done
I forgive you for losing my love
And for making me feel like I'm not enough
Oh, I
I forgive you for all that you've said
I forgive you for leaving me dead
And for making me feel like we didn't know it

Come on, now, tell me, do you love me?
Come on, now, tell me who you love
Come on, now, tell me, do you love me?
Tell me, do you love me? Tell me who you love
Come on, now, tell me, do you love me?
Come on, now, tell me who you love
Come on, now, tell me, do you love me?
Tell me, do you love me? Tell me who you love
