Creature

Grace Gaustad

Wish I was pretty, nothing to me but a perfect 10
Wish I was Barbie with a hottie and his name was Ken
Those types of girls, cherry blondes always seem to win
But I'm not like that
I can't fight it
I just can't fit in

When all of the world's so out of reach
I see a monster inside of me
Fire on her tongue licking diamond teeth
Taking control I'm breaking free
There's something wrong with me, but tonight

My heart is speeding and my body's
Synching with the sound
My minds an ocean and I don't care if I swim or drown
Done being lonely, we're the only ones that matter now
But tonight we'll be the perfect creatures
The perfect creatures
The perfect creatures

I hate myself, who I love so I'm in the closet
Designer clothes Jordan lows roses in my pocket
Feeling blue, so confused don't know how to stop it
Such a mess, come in dressed like I own the carpet

When all of the world's so out of reach
I see a monster inside of me
Fire on her tongue licking diamond teeth
Taking control I'm breaking free
There's something wrong with me, but tonight

My heart is speeding and my body's
Synching with the sound
My minds an ocean and I don't care if I swim or drown
Done being lonely, we're the only ones that matter now
But tonight we'll be the perfect creatures
The perfect creatures
The perfect creatures

We're perfect, perfect
Perfect, perfect; perfect
Perfect, perfect, creatures
We're perfect, perfect
Perfect, perfect; perfect
Perfect, perfect, creatures

My heart is speeding and my body's
Synching with the sound
My minds an ocean and I don't care if I swim or drown
Done being lonely, we're the only ones that matter now
But tonight we'll be the perfect creatures
The perfect creatures
The perfect creatures

We're perfect, perfect
Perfect, perfect; perfect

Perfect, perfect, creatures

The perfect creatures

We're perfect, perfect
Perfect, perfect; perfect
Perfect, perfect, creatures

The perfect creatures
