

You've been gone for quite some time  
Did you ever think you'd try  
To stay away from me  
And you've been running through my mind  
I'd be lying if I said I'd try it (said I'd try it)  
Try to fight it, I can't help it

Stay away from me  
Take it easy around me  
I don't wanna feel like you (feel like you)  
Stay away from me  
I don't want your money  
I don't wanna feel like you (feel like you)

Was your shadow always there  
Did you ever think you could  
Walk without the light  
I don't wanna see you stare  
'Cause if I look into those eyes (into those eyes)  
I'd fall back in time, and I can't do that

Stay away from me  
Take it easy around me  
I don't wanna feel like you (feel like you)  
Stay away from me  
I don't want your money  
I don't wanna feel like you (you, you, you)

I don't wanna feel like you  
I don't wanna feel like you  
I don't wanna feel like you, feel like you, feel like you

Stay away from me (I don't wanna feel like you)  
Take it easy around me (I don't wanna feel like you)  
I don't wanna feel like you, feel like you, feel like you  
Stay away from me (I don't wanna feel like you)  
Take it easy around me (I don't wanna feel like you)  
I don't wanna feel like you, feel like you, feel like you

Was your shadow always there  
Did you ever think you could  
Walk without the light
