

Hero

Grace Gaustad

Comic books
You read them young
But they don't tell you that they're all wrong
That Superman is just a fluke
Well written story about a man in blue

We wake up with a choice
Do we fall or do we rise?
Don't be your kryptonite

I promise I'm okay this time
Don't need to throw away my life
No, I've never met a hero
But I found one tonight
May still be afraid at times
May still have a fear of heights
No, I've never met a hero
But I found one tonight
No, I've never met a hero
But I found one inside

The villain's real, you know him well
He goes to school in your hometown
With dirty shoes, he's been abused
It's not his fault he's the bad guy now

We wake up with a choice
Do we fall or do we rise?
Don't be your kryptonite

I promise I'm okay this time
Don't need to throw away my life
No, I've never met a hero
But I found one tonight
May still be afraid at times
May still have a fear of heights
No, I've never met a hero
But I found one tonight
No, I've never met a hero
But I found one inside

Na-na-na, na-na-na
Na-na-na, na-na-na
No, I've never met a hero
But I found one inside

Sign from above
It says don't panic
That you're not alone
On your own planet
That we made the mess and we'll help kill it
Cause we don't have to be the villain
Don't wear a cape
And I'm not very
Fast on my feet
But I think lately
That we made the mess and we'll help kill it

Cause we don't have to be the villain

I promise I'm okay this time
Don't need to throw away my life
No, I've never met a hero
But I found one tonight
May still be afraid at times
May still have a fear of heights
No, I've never met a hero
But I found one tonight
No, I've never met a hero
But I found one inside

Na-na-na, na-na-na
Na-na-na, na-na-na
No, I've never met a hero
But I found one inside

Na-na-na, na-na-na
Na-na-na, na-na-na
No, I've never met a hero
But I found one inside
