

Walk

Grace Gaustad

How's it going out there in Neverland?
So far in your world
You don't even see where I am
Well I've been hitting bricks and I've been hitting aces
And on one of those aces I'm gonna make it

Hoping you're not dumb enough to let this go
While I'm still young and gullible
Hope you're smart enough to see that once this goes

I won't look back
Won't retrace steps
You'll be a fraction of my past
Alongside the fools
Who were always too cool to be anything but that
If you let me walk then I'm gonna walk
No turning back
If you let me walk then I'm gonna walk
I'll be the best you could have had

So bet me now or bet me never
Don't come back when I've exceeded better
Want me when I need you
Not when everybody else does too

Hoping you're not dumb enough to let this go
While I'm still young and gullible
I hope you're smart enough to see that once this goes

I won't look back
Won't retrace steps
You'll be a fraction of my past
Alongside the fools
Who were always too cool to be anything but that
If you let me walk then I'm gonna walk
No turning back
If you let me walk then I'm gonna walk
I'll be the best you could have had

Walk, walk, walk, walk, walk, walk
Walk, walk, walk, walk, walk, walk
How's it going out there in Neverland?
So far in your world
You don't even see where I am

I won't look back
Won't retrace steps
You'll be a fraction of my past
Along side the fools
Who were always too cool to be anything but that
If you let me walk then I'm gonna walk
No turning back
If you let me walk then I'm gonna walk
I'll be the best you could have had

So, how's it going out there in Neverland?
