

Butterfly

Grace Ives

I have been waiting for this all my life
I was a worm and now I am a butterfly
I'm going through it all like one, two, three
Is someone waiting for someone like me?
You're getting high, I'm getting so fucked up
I want to dance with all the lights turned up
I made a wish into the bottom of a well
Got you under my spell

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Ooh, ahh, yeah, yeah, yeah, yeah, yeah, yeah
Ooh

I have been counting down like one, four, five (Ooh)
I was a worm and now I am a butterfly (Ahh)
I never knew that I could go this hard
I made my wish into a well

You wanna get me like that?
I'm just a sucker for love
I wanna know you like that
I'm just a sucker for love

Ahh, ahh, ahh, ahh, ahh, ahh
Ahh, ahh, ahh, ahh
Ahh, ahh, ahh
