Grace Ives

Down on the west side  
You got the sick ride  
You say come inside  
And I am alive  
Up in your bedroom  
I know I feel you  
You sing "Crazy Love"  
I know you're so strong

Up in my bedroom  
Ride you like vroom vroom  
Act like a big boss  
We know I'm too soft  
Out in the open  
We kiss in the ocean  
You're the one for me  
I feel so lucky
