

# Mansion

Grace Ives

I never wanted anything  
You could show me all your rings  
I'm in the middle of it, baby, I'm a little bit off  
And I've been lookin' for a fight  
I've been lookin' for a fight  
I am a mansion, I'm expanding, I am built to last

Ahh, ahh-ahh-ahh, ahh-ahh-ahh, ahh-ahh-ooh-ahh  
Ahh, ahh-ahh-ahh, ahh-ahh-ahh, ahh-ahh-ahh

I never wanted anything  
You could show me all your rings  
I'm in the middle of it, baby, I'm a little bit off  
And I've been lookin' for a fight  
And I've been lookin' for a fight  
I am a mansion, I'm expanding, I am built to last

Ahh, ahh-ahh-ahh, ahh-ahh-ahh, ahh-ahh-ooh-ahh  
Ahh, ahh-ahh-ahh, ahh-ahh-ahh, ahh-ahh-ooh-ahh

I've been looking for a fight  
I've been looking for a fight  
I've been looking for a fight  
I've been lookin' for a fight
