

Me Me Me

Grace Ives

Baby, what's in it for me?
You'll be callin' up my number like you knew I'd be free
Baby, what's in it for you?
If you're fuckin' with my name, you'll catch me runnin' come th
rough

Honey, what's in it for us?
We've been writin' love letters and then tearin' 'em up
Baby, what's in it for me?
If you're the [?] forest, that makes me a palm tree

You are the only thing I never really thought I would want
You're good at kissing me, but also good at pissing me off
