

## Now I'm

Grace Ives

Now I'm in the wild  
Now I'm in the place I call home  
Now I'm in the water  
Now I'm on the edge of the world

Calling up my sister  
Says she's with her boyfriend again  
I can see the future  
I can see a beautiful plan

Out in California  
Humming with the beat of the road  
Coming off of Sunset  
Now I see the life that I know

Calling up my baby  
Said he wants to go where I go  
Now I'm on the ocean  
Sailing on the open

And it's all love  
It's all love  
It's all love  
It's all love
