

# Trouble

Grace Ives

Trouble in the air tonight  
I'm caught in your stare tonight  
Broke what's yours and mine  
I pray you'll look me in the eye

Trouble on the mountainside  
Gave her the love I set aside  
Left you out to dry  
I've done the worst I ever might

Trouble want a little more  
You found me wrecked upon the shore  
I'm not your sea of love  
I'm just a spill we're cleaning up

Trouble in the moonlight  
I swear you're always on my mind  
And I'm so out of line  
Yeah, you're all too kind

Come on, let it go  
Gimme some of that hell I'm made for  
Baby, do your worst  
Try to find the words  
All night

But down on easy street  
You're just too good for me  
And I played your heart out  
Too many times to count

I guess love couldn't break the fall  
But I know you and I go way back, baby  
Way back, baby, ooh  
And I won't lie, it's uncomfortable  
I know you and I go way back, baby  
Way back, baby

Bring it up and  
It turns me into someone else  
I can't play fair tonight  
When all I got is your stare tonight  
All night

You get the best of me  
And then you want what's left of me  
Little bit lower now  
Baby, bring me down  
All night

Trouble in the rising sun  
I've always known you were the one  
And after heavy sighs  
We smile hardly knowing why

I guess love couldn't break the fall  
But I know you and I go way back, baby

Way back, baby, ooh  
And I don't lie, it's uncomfortable  
I know you and I go way back, baby  
Way back, baby  
You and I go way back, baby, ooh

What if you didn't know?  
What if you didn't care?  
In a little bit of trouble

What if you didn't know?  
What if you didn't care?  
Little bit of trouble

What if you didn't know?  
Trouble in the air tonight  
What if you didn't care?  
Little bit of trouble

What if you didn't know?  
My hand in her hair, tonight  
What if you didn't care?  
In a little bit of trouble

What if you didn't know?  
I'm so out of line  
What if you didn't care?

What if you didn't know?  
I'll do the worst I ever might  
What if you didn't care?  
All night

What if you didn't know?  
Little bit of trouble  
What if you didn't care?  
All night

What if you didn't know?  
In a little bit of trouble  
What if you didn't care?  
All night
