

## Win Win

Grace Ives

One look on the door  
One bed on the floor  
Three sheets to the wind  
One bat by the door  
I drink gin again  
Yeah I'm on the mend  
Ten cups in my room  
One kiss to the moon

Win, win  
I wanna do that  
Feel free  
I wanna do that  
Mmm

One look on the door  
One bed on the floor  
Three sheets to the wind  
Slip knot on the jib  
I drink gin again  
Yeah I'm on the mend  
Ten cups in my room  
Three cheers to the moon

Win, win  
I wanna do that  
Feel free  
I wanna do that

Heartache  
I wanna do that  
Win, win  
Yeah, I wanna do that
