Wow

You're runnin' me back to all the times I was wrong
I was so cool (Ooh)
I never looked back and was full of myself
But you knew me when (Ooh)
I'm hard on my feet, I sing a song you don't know
And you were so mad (Ooh)
When I spoke up, you never knew how to act (Ooh)

Made time for you, not me
Lovin' you so endlessly
I was so stupid back then
Stand still in the hottest sand
Flex your muscles in my hand
You are the worst, man, I swear

Now (Ooh)
I sing you to sleep, you dream of us in the air
I'm runnin' away (Ooh)
I'm hard on my feet, and my hand's in the air (Ooh)

Made time for you, not me
Lovin' you so endlessly
I was so stupid back then
Stand still in the hottest sand
Flex your muscles in my hand
You are the worst, man, I swear

Wow
