

## Repentance (Forgive Me)

Grace Jones

My friends are gone and I'm left alone  
So helplessly, come for me  
It's all my fault but that's what I bought  
Cause I'm guilty, forgive me

For the mistake I made not to change my ways  
Can I be saved? Realized and now I'm sorry  
By the days, will end my worries?

Knocked by the night with darkness around  
Completely, forgive me  
My little way could pray for the day  
You'll comfort me, forgive me

Looking inside myself I am so ashamed  
Can I be saved? Realized that time is passing  
Stay with me, it's all I'm asking, oh

Gone  
It's gone, it's gone, it's gone  
Everything that I own  
I own, I own, I own  
I brought the fault on my own  
My own, my own, my own  
Everything that I own  
I own, I own, I own  
I claim the blame on my own
