Saved

Grace Jones

I've been in my knees my single life
You'll see a different kind of woman tonight
Just for tonight I left my past
I feel every of my make-up made a mess

I put my heart, you took my leg
I feel every lack of whole bitterness
Won't walk alone, won't take the drink
I found a battle wherever I've been

Saved, I'm alone but you briefly
You can see I'm just a simple girl
Saved, I don't pray for the presence of a normal world

Saved, you can choose all the treasures
I give or some other girl
Saved, oh, hold! Just save me someone
Save me some, please, every corner of

Saved, I'm alone but you briefly
You can see I'm just a simple girl
Saved, I don't pray for the presence of a normal world

Saved, you can choose all the treasures
I give or some other girl
Saved, oh, hold! Just save me someone
Save me some, please, every corner of me

Yeah, yeah, yeah! Yeah!

I walk the line, don't break no rules
You don't feel you're hanging 'round a simple fool
I change my way, you change my style
But I like to have some fun once in a while

I'm something new, I'm something fine
But I hate to tell you what's on my mind
I've been so slick, I've been so good
I've been doing everything I should

Saved, I'm alone but you briefly
You can see I'm just a simple girl
Oh, saved, I don't pray for the presence of a normal world

Oh, saved, you can choose all the treasures
I give or some other girl
Oh, saved, oh, hold! Just save me someone
Save me some, please, every corner of me

Saved, saved, saved, oh, yeah!
I've been saved! I've been saved!

Saved, oh, save me from the thug world
Am I thug right now? Everything on my mind
Won't you leave? I got so much confusion

Been saved, I'm alone but you briefly

You can see I'm just another girl
I've seen the light and baby, it's bright
And it feels right

Saved, it's so good, it's so good
It's so good but you got to light now

Everybody clap, clap your hands
Clap your hands, clap your hands, clap your hands

Saved, come on!
Come on, get the feeling!
Come on, get the feeling!
Oh, yeah! Come on, get the feeling!
Clap your hands, stop the beat

Saved

Saved

Saved, I'm alone but you briefly
You can see I'm another world
I won't die, I wanna life, I wanna live for
What's goin' about, be saved!

Saved!
