

# As The World Falls Down

Grace Potter

There's such a sad love  
Deep in your eyes  
A kind of pale jewel  
Open and closed  
Within your eyes  
I'll place the sky  
Within your eyes

There's such a fooled heart  
Beating so fast  
In search of new dreams  
A love that will last  
Within your heart  
I'll place the moon  
Within your heart

As the pain sweeps through  
Makes no sense for you  
Every thrill is gone  
Wasn't too much fun at all  
But I'll be there for you-ou-ou  
As the world falls down

Falling  
Falling down  
Falling in love

I'll paint you mornings of gold  
I'll spin you Valentine evenings  
Though we're strangers until now  
We're choosing the path  
Between the stars  
I'll leave my love  
Between the stars

As the pain sweeps through  
Makes no sense for you  
Every thrill is gone  
Wasn't too much fun at all  
But I'll be there for you-ou-ou  
As the world falls down

Falling  
Falling  
Falling in love

As the world falls down  
Makes no sense at all  
Makes no sense to fall

As the world falls down  
Makes no sense at all  
Makes no sense to fall

As the world falls down

Falling
