

I'd Rather Go Blind

Grace Potter

Something told me it was over
When I saw you and your girl talking
Something deep down in my soul said, 'Cry, girl'
When I saw you and that girl walkin' around

Whoo

(Whoo) And I would rather, I would rather go blind, boy
Than just to see you walk away from me, child, no

(Whoo) So you see, I love you so much
That I don't wanna watch you leave me, darling
Most of all, I just don't, I just don't wanna be free, no

Whoo

(Whoo) I was just, I was just, I was just
Sitting here thinkin' of your kiss and your warm embrace
When the reflection in the glass that I held to my lips now, ba
by
Revealed the tears that was on my face, yeah

And baby, baby, I'd rather, I'd rather go blind, boy
Than to see you walk away, see you walk away from me, yeah

Because I love you so much
That I don't wanna watch you leave me, darling
Most of all, I just don't, I just don't wanna be free, no
Ohh

Ohh

Something told me it was over
When I saw you and her talking
Something deep down in my soul said, you'd better cry, girl
When I saw you and that girl walkin', walkin', walkin' around
And I'd rather go blind, boy
Than to watch you, watch you walk away from me now
I'd rather go blind, boy
Because I love you so much
I just to watch you leave me, leave me now

I'd rather go blind, boy
Than to watch you, walk away from me now, walk away from me now
, walk away

(Baby, baby, baby)
