

Round & Round

Grace Slick

It's got me spinning round and round
Don't know if I'm gonna buckle down
It's got me in a merry go round
And we all fall down

It's got me in a tail spin
I mean if I just can't win
I hear you knocking but you can't come in
It's a vicious circle

Round and round and round we go
Round and round and round we go
Round and round and round we go
Love is a circle, uah-who

Tossing, turning, and I keep returning
Turning back to you
Backwards, forwards, seems I'm always, always
Coming back to you

It struck me in a down-low
I'm walking with a heavy load
The whole damn thing is about to explode
It's a vicious circle

Stop wasting all my time
I'm on a horse that just won't rhyme
I wish I had some place to hide
It's a vicious circle

Round and round and round we go
Round and round and round we go
Round and round and round we go
Love is a circle

Round and round and round we go, ow ow
Round and round and round we go
Round and round and round we go

Love is a circle

Love is a circle

Love is a circle

Love is a circle, circle, circle, circle, circle, circle, circle,
circle, circle, circle....
