

Intro (Gucci Shoes)

Grace VanderWaal

I just bought some new Gucci shoes
Wasted my college funds just to look cute
Forty minutes to look like I did it in two
Maybe I am vain, so are you

Hey
And I want it for free
Yeah, I wish that I was free
I wonder if anybody sees what I see
And na-na-na-na-lee

Why do I care? Why do I? Well, I don't know
Why do I care? Why do I care? Why do I?
Why do I care? Why do I? Well, I don't know
Why do I care? Why do I care? Why do I?
Why do I care? Why do I? Well, I don't know
Why do I care? Why do I care? Why do I?
Why do I care? Why do I? Well, I don't know

So I got a new wig, got some new clothes
Then made some new friends that I don't even know
And I got a new wig, got some new clothes
I learned a new dance, got a new nose

And I don't even care, I don't even care
No, I don't even
I don't even care, I don't even
No, no, no, no
And I don't even care
And I don't even care
And I don't even
I don't even
