

# Invisible

Gracenote

Crying under the moon  
While you're singing outta tune  
You hate the smell of my perfume  
You walked out of the room  
Leave me nothing but doom  
Now I'm insecure

Do you want me (around)  
Tell me I'll be (gone)  
Every time I drown (when I'm with you)  
When I'm with you

Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you  
Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you

Ah, ah-ah-ah  
Ah, ah-ah-ah  
Ah, ah-ah-ah  
Ah, when I'm with you

Singing under the moon  
Wishing you'd hear my tune  
Will I ever see you soon again?  
Everything's turning blue  
I don't know how to mute  
I'd disappear if you want me to

Turn the music (down)  
If you hate the (sound)  
I'm a ghost in town (when I'm with you)  
When I'm with you

Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you  
Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
(Ah-ah) ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
(Ah-ah) ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh

Ah, ah-ah-ah

Ah, ah-ah-ah  
Ah, ah-ah-ah  
Ah, when I'm with you

Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you  
Ah, I'm invisible  
Ah, I'm invisible  
Ah, I'm invisible  
When I'm with you

Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
(Ah-ah) ooh, ooh-ooh-ooh  
Ooh, ooh-ooh-ooh  
(Ah-ah) ooh

And he will never be back
