

# No Hate

Gracernote

Guess I'm just a girl you saw on the internet  
Where you get to make yourself connect, oh-oh-oh  
You're sending messages as if we've ever met  
Making people think that we are close, no-oh-oh

You call me a friend, you call me a foe  
You don't know what you are saying  
You lend me a hand and then let me go  
You don't even know my story

Say what you wanna say  
But don't ever, ever try to bring me down  
All I do is play at shows and create  
Music that I hope people would appreciate

So no hate, na-na  
No hate, na-na  
No hate, na-na  
No, no-no, no-no, no  
No hate

Your smoking cigarette is sending bad elements  
I don't care 'cause i won't suffocate oh oh oh  
I don't know how this kind of being goes to end  
You're a predator, but I'm not your prey

You call me a friend, you call me a foe  
You don't know what you are saying  
You lend me a hand and then let me go  
You don't even know my story

Say what you wanna say  
But don't ever, ever try to bring me down  
All I do is play at shows and create  
Music that I hope people would appreciate

So no hate, na-na  
No hate, na-na  
No hate, na-na  
No, no-no, no-no, no  
No hate, na-na  
No hate, na-na  
No hate, na-na  
La, la-la, la-la, la-la

Love is all i can ever give  
If that's what you want to receive  
What you do to others  
Will bounce back to you

Say what you wanna say  
But don't ever, ever try to bring me down  
All I do is play at shows and create  
Music that I hope people would appreciate

So no hate  
Na, na-na, na, na

Na, na-na, na, na
