

Waterfall

Gracenote

Don't start again
Don't start to bend
Tears are falling down my face again
I can't explain
It starts to rain
Everything is making me insane

My heart is beating
Out of timing
And I can hardly breathe
And my soul is crying
Out of nothing
When I'm not with you

This has to end
This has to mend
I am tired of talking to myself
Give me your hand
Just for a second
You're the only one that makes me sane

My heart is breaking
Not almost beating
And I can hardly breathe
And my soul is missing
It must be hiding
No one ever knew

Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault
Wipe all the waterfall
It's not, it's not your fault

I'll wipe all the waterfall
It's all, it's all my fault
I'll wipe all the waterfall
It's all, it's all my fault
I'll wipe all the waterfall
It's all, it's all my fault
I'll wipe all the waterfall
It's all, it's all my fault
