Easy For You

GRACEY

I wish I paid attention to the way you treated your ex
The way you cut her off without a fuck 'bout her feelings (Yeah)
'Cause at the time I was fine
I didn't care, you were mine
I was happy she wasn't there
Never thought it would be me next

'Cause you'd say all the time our love ran deep
And that's why I don't understand why'd you leave

Now, it's me callin' at three in the morning
Askin' if we mean nothin' at all?
Do we mean nothin' at all?
To you, 'cause I'm finding it so hard to move
Oh now and I'm confused
Why it is easy for you?

Wish I paid attention to the way you treated your ex
I knew that it was wrong but pretend I didn't notice (Aah aah)
Guess she needed some closure, to be okay
But to me you would make her sound so crazy, and I'd believe it
I shouldn't have believe shit

Now, it's me callin' at three in the morning
Askin' if we mean nothin' at all?
Do we mean nothin' at all?
To you, 'cause I'm finding it so hard to move
Oh now and I'm confused
Why it is easy for you?

Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is? (Yeah)

I wish I paid attention to the way you treated your ex

Now, it's me callin' at three in the morning
Askin' if we mean nothin' at all?
Do we mean nothin' at all?
To you, 'cause I'm finding it so hard to move
Oh now and I'm confused
Why it is easy for you?

Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is? (Yeah)
Why it is easy for you?
Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is?
Do you rather be, don't see how it really is? (Yeah)
Why it is easy for you?
