

# Like That

GRACEY

Don't want no one 'cause I'm on the right track  
But there's something 'bout you got me changing my mind like that

I don't waste time no more  
I know what's right and wrong  
Won't find me going backwards, yeah  
I got over being low  
Took me a year or so  
Trust me I've had my practice, yeah  
And I'll be fine 'cause I got my loving  
Yeah I'm alright, sleeping on my own tonight, yeah  
And I catch your eye but I say it's nothing  
I tell everyone, tell myself that I

Don't want no one 'cause I'm on the right track  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, yeah)  
I try go slow, yeah I'm tryna hold back  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, like that, yeah)  
(Like that, like that, like that, yeah  
Like that, like that, like that)

Yeah  
Oh I've been such a mess  
My heart, it needs a rest  
'Cause I'm one break away from being broken  
But oh, I was such a fool  
To think that I could choose  
When you'd catch eye, take all my plans and bleed them dry

Don't want no one 'cause I'm on the right track  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, yeah)  
I try go slow, yeah I'm tryna hold back  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, like that, yeah)  
(Like that, like that, like that, yeah  
Like that, like that, yeah)

Like that, baby  
You got my mindset changing  
Heartbeat racing for you  
You, ooh  
Like that, baby  
You got my mindset changing  
Heartbeat racing for you  
You, ooh

Don't want no one 'cause I'm on the right track  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, yeah)  
I try go slow, yeah I'm tryna hold back  
But there's something 'bout you got me changing my mind like that (Like that  
, like that, like that, yeah)

Like that, baby

You got my mindset changing  
Heartbeat racing for you  
You, ooh  
Like that, baby  
You got my mindset changing  
Heartbeat racing for you  
You, ooh
