

Rhetorical Questions

GRACEY

I wanna stare at the sky wasting time with you
I like when the sun's in your eyes makes them go so blue
You kiss my cheek as I'm
Telling you things about me nobody knew
And I'm asking you questions that I know the answers to

Who do you love?
Who do you love?
Who do you love?
You can hear me say

Who do you love?
Who do you love?
Who do you love?
You're telling me

Every time that you hold me like this
Never gonna be second-guessing
I know what the answer is
Rhetorical questions

Who do you love?
Who do you love?
Who do you love?
You can hear me say

Ride with me right through the night 'till we hit the coast
I'll show you around all the places that meant the most
And I've been telling you
"I'm moving back one day when I'm growing old" (Mhm)
Now you're walking round
Saying, "One day you'll call it home" (Mhm, yeah)

Who do you love?
Who do you love?
Who do you love?
You can hear me say

Who do you love?
Who do you love?
Who do you love?
You're telling me

Every time that you hold me like this
Never gonna be second-guessing
I know what the answer is
Rhetorical questions

Who do you love?
Who do you love?
Who do you love?
You can hear me say

Oh, I know you'll give your heart to hold
When you say my name, you make it gold
I like to ask rhetorical questions I already know

Dam, da-da-dam, dam, da-da-dam, dam, da-da-dam
You can hear me say
Dam, da-da-dam, dam, da-da-dam, dam, da-da-dam
You can hear me say
