

## Best

Gracie Abrams

I was bored out my mind  
Lost my whole appetite  
When I could come to life, I didn't  
You were there all the time  
You're the worst of my crimes  
You fell hard  
I thought good riddance

I never was the best to you  
I never was the best to you  
I never was  
I never was

Used to lie to your face  
Twenty times in a day  
It was my little strange addiction  
But you still tried to stay  
While I'd self isolate  
And I knew but I stayed hidden

I never was the best to you  
I never was the best to you  
I never was  
I never was  
I never was the best to you  
I never was the best to you  
I never was  
I never was

And I destroyed every silver lining you had in your head  
All of your feelings, I played with them  
Go ahead, we can just call it conditioning  
We were too different  
You were so sensitive  
Gave me the best of that, I was so negligent  
Now I feel terrible about how I handled it

And now I  
Now I bet you resent all of me, all of it  
Angry, blocking me over the internet  
Promise, I don't forget all of my fault in this  
'Cause look at me, I'm alone, sitting here, staying home  
All of my self control kinda got difficult  
But I deserve it though  
But I deserve it though

You were there all the time  
You're the worst of my crimes  
You fell hard  
I thought good riddance

I never was the best to you  
I never was the best to you  
I never was  
I never was  
Oh, I never was the best to you  
I never was the best to you

I never was  
I never was
