Gracie Abrams

Look at me now  
Said I wouldn't do it, but I hunted you down  
Know you had a girl, but it didn't work out  
Know you bought a house, but you had to move out  
I'm not proud, 'cause I'm just scared of you shootin' it down  
You can just talk and I'll stare at your mouth  
It could be bad, but I won't find out

And I wake up, in the middle of the night  
With the light on  
I feel like I could die  
'Cause you're not here  
And it don't feel right  
'Cause you're not here

God, I'm actually invested  
Haven't even met him  
Watch this be the wrong thing, classic  
God, I'm jumping in the deep end  
It's more fun to swim, and  
Heard the risk is drowning, but I'm gonna take it  
I'm gonna take it  
Oh whoa, oh whoa

Isn't it fun thinkin' I'm right when I'm probably wrong?  
Holding my breath, livin' in slowmo  
Knowing damn well that I haven't been touched by you  
Behind you in the club, you're coming to me  
You get to my door, and you can't even speak  
But I think that it's sweet, yeah I think that you're sweet

And I wake up, in the middle of the night  
With the light on  
And you're not here

God, I'm actually invested  
Haven't even met him  
Watch this be the wrong thing, classic  
God, I'm  
Jumpin' in the deep end  
It's more fun to swim and  
Heard the risk is drowning, but I'm gonna take it

I'm gonna bend 'til I break and  
You'll be my favorite mistake  
I wish you would hold me, you're shakin'  
You're the risk, I'm gonna take it  
Why aren't you here in my bedroom  
Hopelessly boring without you  
Too soon to tell you, I love you  
Kiss you and tell you I love you!

God, I'm actually invested  
Think I really want this  
I'm not even kidding  
No, I'm actually invested  
Haven't even met yet

Wish that I was kidding, I'm not and  
I hate it  
God, I'm actually invested  
Haven't even met him  
Watch this be the wrong thing, classic  
God, I'm jumping in the deep end  
It's more fun to swim and  
Heard the risk is drowning, but I'm gonna take it  
Whoa-oh-oh  
I'm gonna take it  
Heard the risk is drowning, but I'm gonna take it

Too soon to tell you I love you  
Too soon to tell you I love you  
Too soon to tell you I love you  
You're the risk, I'm gonna take it
